**defra**

Department for Environment

## UKECP NEWSLETTER No. 2 (10 September 2009)

ECL (Export Certification Ltd) works in partnership with Defra under the banner of the United Kingdom Export Certification Partnership (UKECP) to help facilitate the procurement of Export Health Certification to enable UK industry to export meat, livestock and genetics to countries outside the European Union.

ECL sector directors are:-

Marcus Bates - Pig sector  
 Peter Hardwick – Meat sector  
 Henry Lewis – Sheep, Goats and Camelids  
 Andrew Taylor – Bovine semen  
 Rob Wills – Bovine embryos and live cattle
